# Comprehensive Assessments

Throughout a year of instruction, teachers administer multiple measures to inform instruction.

- ✓ The most important assessments are the 3 VIP benchmark measures. Benchmark 1 is administered within a two-week window at the beginning of the implementation of Passport; Benchmark 2 is given mid-year; and Benchmark 3 is administered at the end of the implementation.
- ✓ VIP progress monitoring measures are also an integral part of the VIP System and can be administered to individuals between benchmarks to determine progress.
- ✓ Adventure Checkpoints in Lessons 5 and 10 assess what has been taught in the previous lessons. Checkpoints are whole-group or individually administered. Results of these measures can be used to identify reteaching opportunities.

# Ticket to Read

**FREE**  
Per Student!

**Ticket to Read**, Voyager's student-centered technology component, complements the *Voyager Passport* print materials to offer more time on task and improve reading performance. Students can independently practice important reading skills at school, home, or anywhere with Internet access – 24/7! Highlights of Ticket to Read include:

- ✓ **Self-paced**, student-centered learning
- ✓ **Motivating** reward system
- ✓ Hundreds of **high-interest** reading passages
- ✓ Automated self-correction and **quizzes**
- ✓ Great at-home activities to **increase parental involvement**
- ✓ **Important FCAT** skills are covered

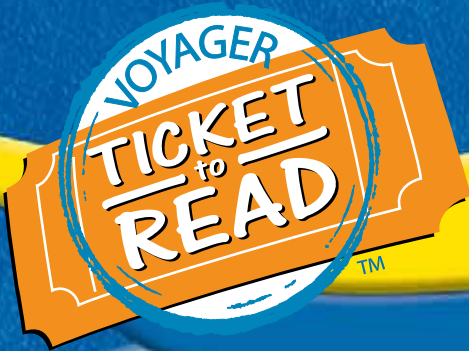

**Ticket to Read** is an interactive, Web-based, student-centered learning component that promotes practice of actual text reading. The program enables students to **build fluency**, **strengthen vocabulary**, and **reinforce comprehension** skills as they navigate through a self-paced instructional path. Motivational features provide students with incentives to practice. These features include ticket rewards for completing certain tasks—tickets that can be redeemed to purchase items that students use to decorate their customizable clubhouse. Students receive constant feedback to monitor their performance, and reports are available to teachers through the VPORT System.

# MORE Time on Task

First Read

Words to Know

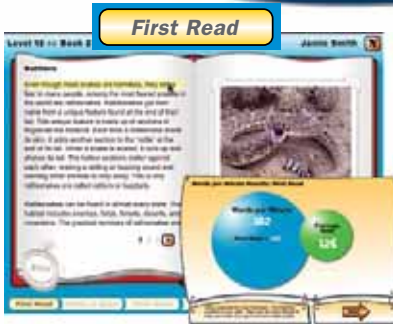

Think About

Read Along

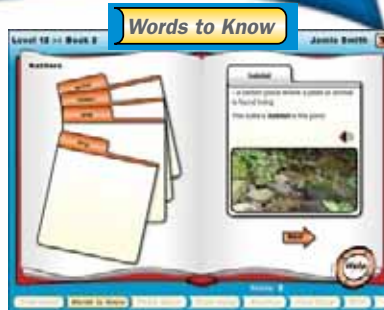

Practice

Final Read

Quiz

Students complete a cold read of the passage to get a word per minute (wpm) reading goal.

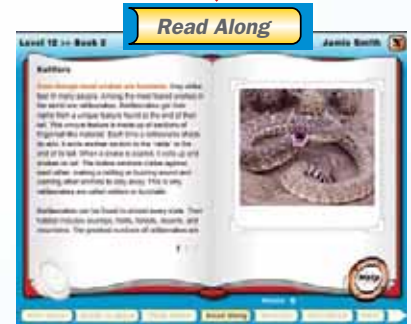

Students are introduced to key vocabulary terms with definition, context sentence, picture, and sound effect.

Students are introduced to a target comprehension skill or strategy with each passage.

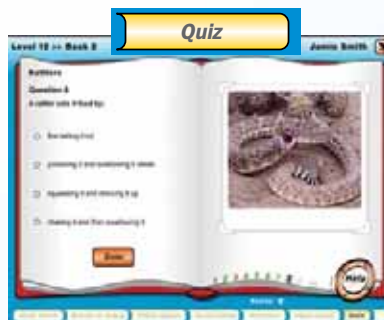

**Track student progress toward proficiency as they learn important FCAT skills!**

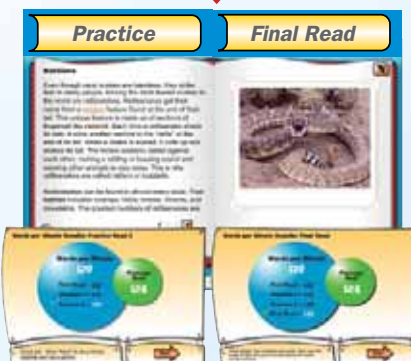

Students listen to, then read along, as fluency is modeled.

Students return to their clubhouse to select another passage or spend the points they've earned.

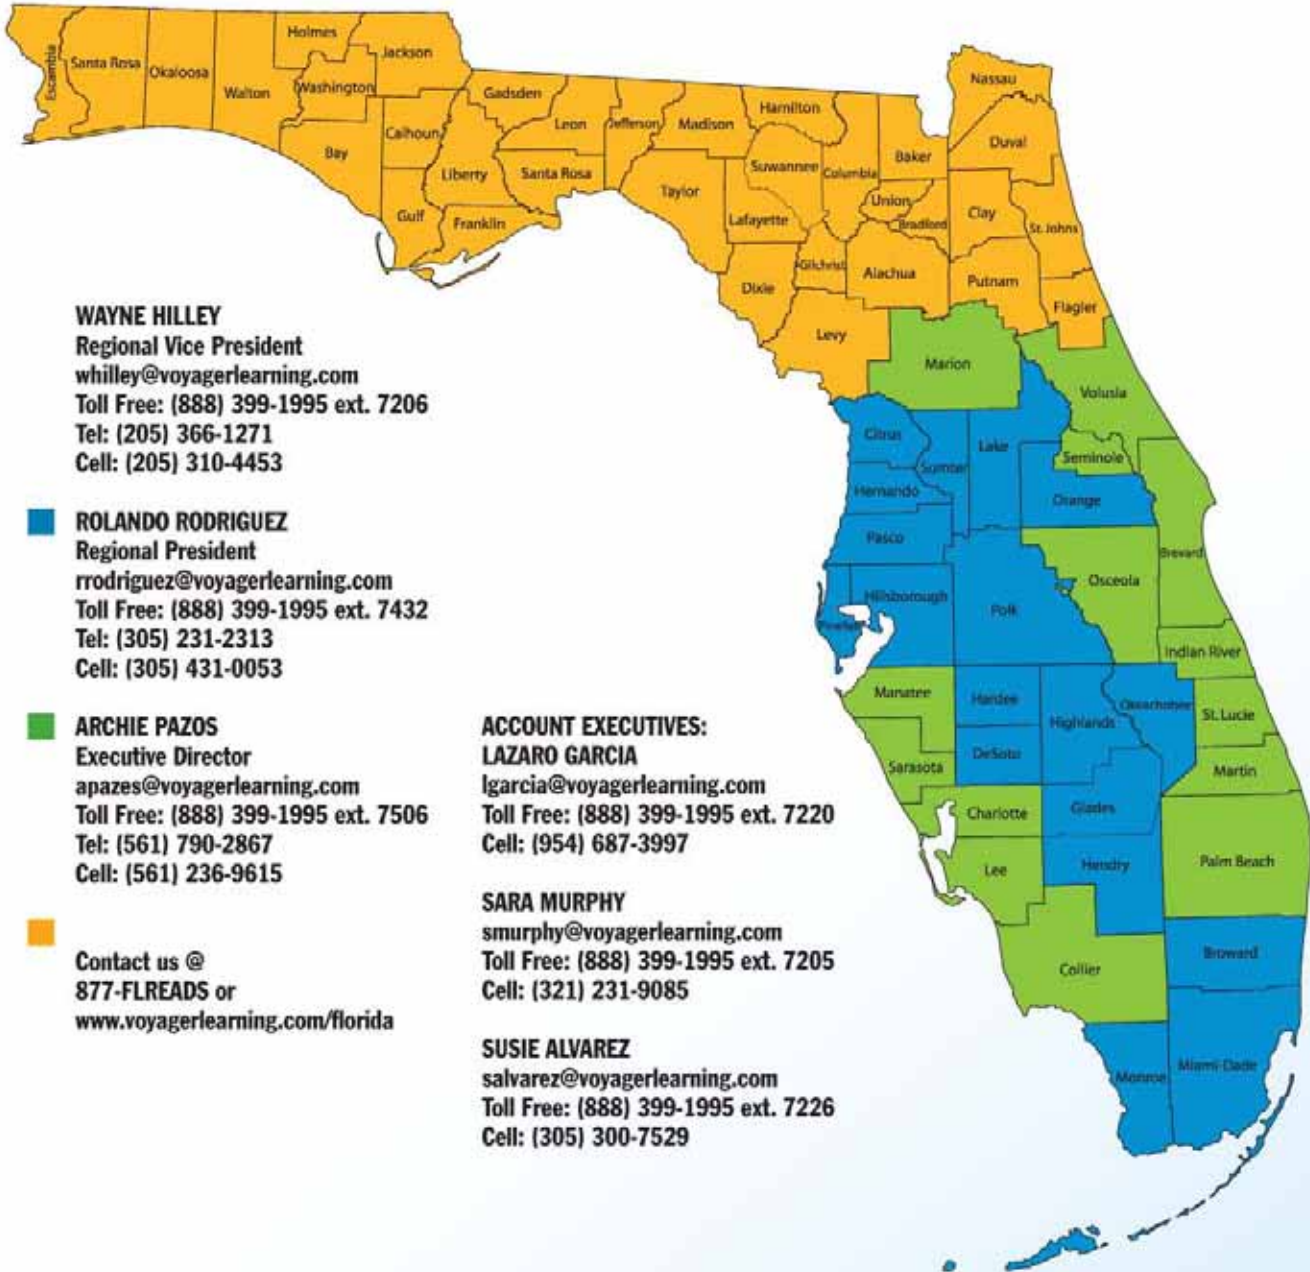

After the final read of each passage, students take a comprehension and vocabulary quiz. Points are earned for correct responses and self-correction opportunities are presented for incorrect answers.

Students practice reading the passage independently before taking a timed final read to earn points. Each word can be clicked on for immediate support.
